Step Four

DECLARE : Who you get to BEE to attract what you say you want and give this BEE-ing A title.

In Part 4 you are going to declare your BEE-ing and give yourself (your BEE-ing) a title.

In other words, what would be the BEE-ing of someone who accomplishes everything you have said you want in Part 3?

Whatever you have written in Part 3, will happen in direct relationship to who you are BEE-ing.

You must first step into the BEE-ing of someone who attracts what you have written; it is a declaration first and then taking actions that draws your desires to you!

Who do I get to BEE to attract what I say I want? And then give this BEE-ing a title.

"BEE-ing Attraction is about "BEE-ing" someone who attracts what you say you desire to have in your life. The creation of your BEE-ing is like the "punch line" of your Attraction Plan."
