

## Attracting Perfect Customers 5 – Minute Talk

---

➡ Today I will share with you **5 STEPS that will help you attract 5 new PERFECT clients** in the next 5 weeks. CLAPPERS / If you would like to have 5 new clients give me a hand!

➡ First before I share these 5 Steps – I'd like to ask you to think of the **\$ Dollar Value of just one** new clients that would be perfect for you to work with? Now multiply that X 5. That's YOUR NUMBER CLAPPERS -- when you get your number give me a CLAP

➡ **Now imagine** what would be possible in your business – in your life – if you reached your #? You could buy a car – or get a new website – go on a vacation – send a kid to college IMAGINE What is possible --- CLAPPERS – when you imagine what is possible?

➡ Here are your 5 Steps

1. **Clarity** about what a perfect client looks like to you – Are they men, women? What is their age range? Do they love golf or Yoga? Are they a Veteran? Where do they live?
2. What is **YOUR big why** in your business? this is the same for your perfect clients
3. **What do you want?** Your perfect customers want you have what you want – now what do you want?
4. Now activate your goals and what you want to attract by stepping into the **Being of someone** who already has attracted what you want --- if you want a multi-million dollar business you must be it first before it manifests.
5. Take **Attraction actions Avoid Dazzling Distractions** – Attractive Actions keep you focused, on track with your goals and produce the results you want. Dazzling Distractions do not.

➡ **Here is an Attractive Action you can now ---**

Invest \$20 into our upcoming workshop Improv Your Attraction Factor --- did I mention it's only \$20?

At this workshop – you'll network – you gain the value I mentioned today – AND you might just meet your next 5 perfect clients here.
