First take the Lighthouse Test on the next page......

#### The Lighthouse Test

Are you being a lighthouse or a searchlight?

Power of
Strategic
Synchronicity

#### **Lighthouse Test:**

Imagine a lighthouse standing strong and tall on the rocky shores of a beautiful ocean. The water is calm, the sky is blue, and there are many boats out to sea. But, out in the distance, a storm cloud is forming on the horizon. It is coming closer to shore very quickly. The sky is getting darker, the waves are getting rougher, and many of the boats are being tossed about on the water. As the rains and the winds pick up strength, so does the power of the beam of light emanating from the lighthouse. Some of the boats, anxious to move quickly to a quiet and protective harbor, are relying on this beam of light to guide them safely to the spot. The darker the skies become, the brighter the light shines. Now, imagine that the lighthouse gets upset because some of the boats are choosing not to come to its harbor. The lighthouse feels that it is not successful if it is not serving all of the boats in the sea.

Suddenly the Lighthouse sprouts arms and legs and runs up and down the beach, waving its arms, doing its best to catch the attention of all the boats.

### What do you think would be the result?

Most likely, the boats that were depending on the light to guide them would by now be destroyed in the chaos and confusion.

Other boats, led by their curiosity, may come closer to shore to get a better look at the spectacle, still others would be perfectly content to stay where they are...out at sea. Result: very few boats are served safely and securely.

#### Here's the test.

Your Perfect JV Partnerships and Customers will connect with YOU when you are clear about your business and STOP trying to be everything to everyone.

# STEP 1: DESCRIBE the qualities, characteristics, and attributes of my perfect Joint Venture Partner.

EX: I feel in alignment with them and they want to partner with me. They like my product. We feel a heart-connection. They are fun. They have a list of 5,000 +. Their product is excellent. They have a great reputation in the business. They want to work with me. I like them. I can trust them.

Descriptions include anything that you like, and want to attract more of; think of people you have the best relationships with now and list those qualities, characteristics and attributes.
<ul><li>Are they Affiliate Marketers,</li><li>Tribe Builders, Service</li><li>Promoters, or Self-</li><li>Promoters?</li></ul>
What are the skills they offer, do they have a good reputation, is their list responsive, do they offer quality products, and are they leaders in their market, are they willing to reciprocate?
The Law of Attraction is Like Attracts Like so what do you like?
What type are you? What motivates you? Be specific. Be picky. Use details.

# **STEP 2: IDENTIFY** what makes me and my perfect JV partner TICK?

EX: What Makes Me Tick is working with people to discover a deeper connection to create heart-centered business and lives

business and live	S.	
		While Part 1 is a long list of qualities and attributes, Part 2 is one statement.
		Again, based on the Law of  Attraction, like attracts like, therefore, what makes you TICK is also what makes your perfect JV partner TICK.
		<ul> <li>Use the following questions to deepen your understanding.</li> </ul>
Select a few key words from what	vou have written.	What do you want to achieve before you leave this world?
Write them below.		What are you doing when you most love your life and feel that
viy name is	and what makes me tick is:	you were meant to be doing this more?
		What gets you out of bed in the morning that is so important to
Getting what makes you TICK is a p	process and evolves as you do.	you and your business that you can't wait to do it again every day?
		Finally, write down one sentence that combines your answers to all of these questions.

#### STEP 3: SPECIFY what do I want my perfect

JV partner to expect of me.

EX: My perfect JV partner wants to support me in doing 2 JV per month; to create mutually beneficial relationships; to have a professional sales letter; to use a copy writer; provide excellent copy; to have a great website; to respond quickly; to communicate frequently with updates on launches.....

The emphasis here is what do I WANT? What is perfect for ME to provide?
When you follow your own inspiration, and you get in alignment with that, the genius of JV partnership will flow though you. You will love every moment of your involvement. You will experience exhilaration, appreciation, love, power, and abundance.
AND, you are not alone. My Perfect JV partners want for me to have what I want. So what DO I want?
It's what we call "The Power of Strategic Synchronicity". The more clear and SPECIFIC I am about what I REALLY want and the more in alignment I am with that, the more clear I send out that signal to be
received by my perfect JV partners.  This is the stage of the Plan where I shut the door on sacrifices, and suffering.
I get to say what I want my Perfect JV partners to expect of me.
In Part Three list and consider every detail that is important including, and not limited to: my products, my services, my
skills, my favorite activities and interests, my time availability, my spiritual preferences, my income goals, my numbers of these types of partnerships I will attract this year, where I will meet
these JV partnerships, how I will connect with them, how I will provide services to them, be specific!
